

GRIT Hockey 2019 Tournament Teams

This year our Spring/Summer tournament teams will draw players from all 4 Atlantic Canadian Provinces as well as Quebec & the Eastern US. We have decided not to ask players to commit to a full season of practices & tournaments but just to commit to tournaments of your choice. Having players from such a broad area makes it difficult to practice as a team. Most players playing in our tournaments also play with a local team or practice group in their local area.

For any local players in the Southern N.B. region we are offering various super skills sessions and various other camps that you can sign up for if you are looking for additional ice above & beyond the tournaments. Our super skills sessions & camps are on our website . These camps will run for 4 weeks starting at the end of March. See our website @ www.grit-hockey.com.

In order to secure a spot on a tournament roster you must pay the registration fee . In order to hold a spot. Once spots are full, there will be no more openings. I encourage you to register ASAP to make sure you have a roster spot.

Payments can be made by e mail transfers or paypal to GRITHockey.NB@gmail.com, cheques (to the below address), or by cash.

DISCOUNT: \$25 off your second tournament & \$50 off each tournament if you do more than 2

These are all stay & play tournaments. Hotel info will be sent out once you register for tournaments. All players will be expected to stay in the team hotel & book under the team booking code. In some cases we may book a practice time the evening before the tournament starts. If so this will be an addition \$20 per player.

Please see the tournament listing below that we shall be playing in & let me know ASAP which to sign you up for!

Thanks so much,

Mike McCluskey
